Hello, Vicky!

I have arranged for parking on the CBS Radford lot on July 11th.

You will most likely park in the Sater structure, but due to the activity on the lot, security may instruct you to park elsewhere.

Let me know if you need directions to our offices from where you park.

Hi John,

Sitting down for next steps sounds good to me. Do you want me to bring anything with me besides myself?

I am free Wednesday, July 11 after 2. Let me know what works for you.

Enjoy the time with your family -- sounds fantastic. My three daughters are scattered across the country so I cherish the time we all spend together.

Take care,  
Vicki

Hi Vicki -

I hope all is going well and you are having a good day? Just got back from a walk for lunch and it's beautiful outside.

I was wondering if you would like to drop by the office so that we might have a more formal chat - you can see where we are and we can drill down a bit about the job? I'd also like to know a bit more about what your workday is like with your BID.

I think we are close enough that setting up something should be easy however, because my entire family is coming in for a two week period starting on the 23rd, I will be in and out so perhaps we could look at Monday, July 9 around 2pm or Wednesday, July 11 - I am open nearly all day. You can also shoot me over some other dates that work for you and we can make it happen.
